

# Canadale

Ontario's Favourite Garden Centre

## Update March 20

Dear Friends of Canadale:

Good morning.

Like you, we have been following the news closely for developments surrounding Covid-19. At Canadale our first priority, as always, is the safety of our customers, staff, suppliers and community.

Therefore, at this time we have decided to temporarily close our retail store to the public as of 4pm today. However we are still here to serve you!

In the meantime, we will be offering curbside pick-up for prepaid orders outside our front door. There will be no physical contact with our staff. We will take phone orders at 519-631-7264 and email orders at [info@canadale.com](mailto:info@canadale.com).

We are working on a list of available items, but if you have a request, we will do our best to fill your order. Our greenhouses and gift rooms are stocked with colourful spring flowers, air-purifying houseplants, succulents, seeds and seed starting supplies (this is a great year to grow your own garden!) and gifts so that can bring some bright and cheery colour into your home. We are stocking our outdoor plants as we speak and will soon have a selection available for ordering. Gift cards are also available for any occasion. Our very popular take home Kids Club Crafts kits are still available (new selections will be available next week) and we are working on adult workshop kits as well.

Your house is your home and your backyard is your sanctuary. Now is the time to enjoy your personal space.

We will continue to keep you informed of any changes.

We thank you for your understanding and your continued support at this extraordinary time. We are all in this together, and together we will get through this challenging time.

Until then, take care of yourself and each other.

Pauline Intven-Casier

Vice President

and the Canadale Team

**We are open for phone and email orders!**

**Monday to Friday**

**10am - 3pm**

**519-631-7264**

**[Info@canadale.com](mailto:Info@canadale.com)**
