Sub. No. 2023-2454

June 23, 2023

Josh Mosiondz
Provincial Minor Use Coordinator
Ontario Ministry of Agriculture, Food & Rural Affairs
1 Stone Rd. W.
Guelph, Ontario N1G 4Y2

Dear Mr. Mosiondz:

Re: **Emergency Registration of DeltaGard SC Insecticide Reg. No. 28791 for control of box tree (boxwood) moth on boxwood in Ontario**

Your application to amend the registration of DeltaGard SC Insecticide (Reg. No. 28791) for the emergency control of a seriously detrimental infestation by box tree (boxwood) moth on boxwood has been granted. Pursuant to section 18 of the Pest Control Product Regulations the amendment is granted for a validity period beginning June 24, 2023 and ending June 23, 2024, subject to the following conditions:

- Label changes must be made according to the attached annotated supplemental label.

The Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA) must inform 2022 Environmental Science CA Inc. should OMAFRA become aware of any incident that occurs as a result of the use of DeltaGard SC Insecticide. For information on the Incident Reporting Program, please contact PMRA-Incident-ARLA@hc-sc.gc.ca.

Your registration certificate and the annotated supplemental label are attached. Please note that this Emergency Registration will be removed from the labels on the PMRA Pesticide Label Search website once it has expired.

Should you have any questions regarding this decision, please do not hesitate to contact Md Bahar by email at md.bahar@hc-sc.gc.ca or by telephone at (902) 394-7686.

Yours truly,

Minoli Silva
A/Chief Registrar
Pest Management Regulatory Agency
